

FERDI FINDS A PEBBLE

Ferdi found a pebble.

It was smooth

It was shiny

It was all HIS!

Fiona came hopping by.

“Can I hold it?” she asked.

Ferdi shook his head.

“No, no, no!”

**Thistle the rabbit hopped
over.**

She had a big carrot.

She broke it in two.

“Here, share with me!”

Bartholomew the owl

swooped down.

He gave Freddy his feather.

**“Together, we can play
pretend!”**

Ferdi blinked.

Friends were smiling.

Friends were laughing.

Friends were SHARING.

Ferdi took a deep breath.

“Okay, Fiona.

You can hold my pebble.

They lined up their treasures

A pebble.

A carrot.

A feather.

**Sharing made the day
brighter.**

**Sharing made the fun
bigger.**

**Sharing made their hearts
HAPPY!**
